

The Heart of Teaching: Educators' Global Impact

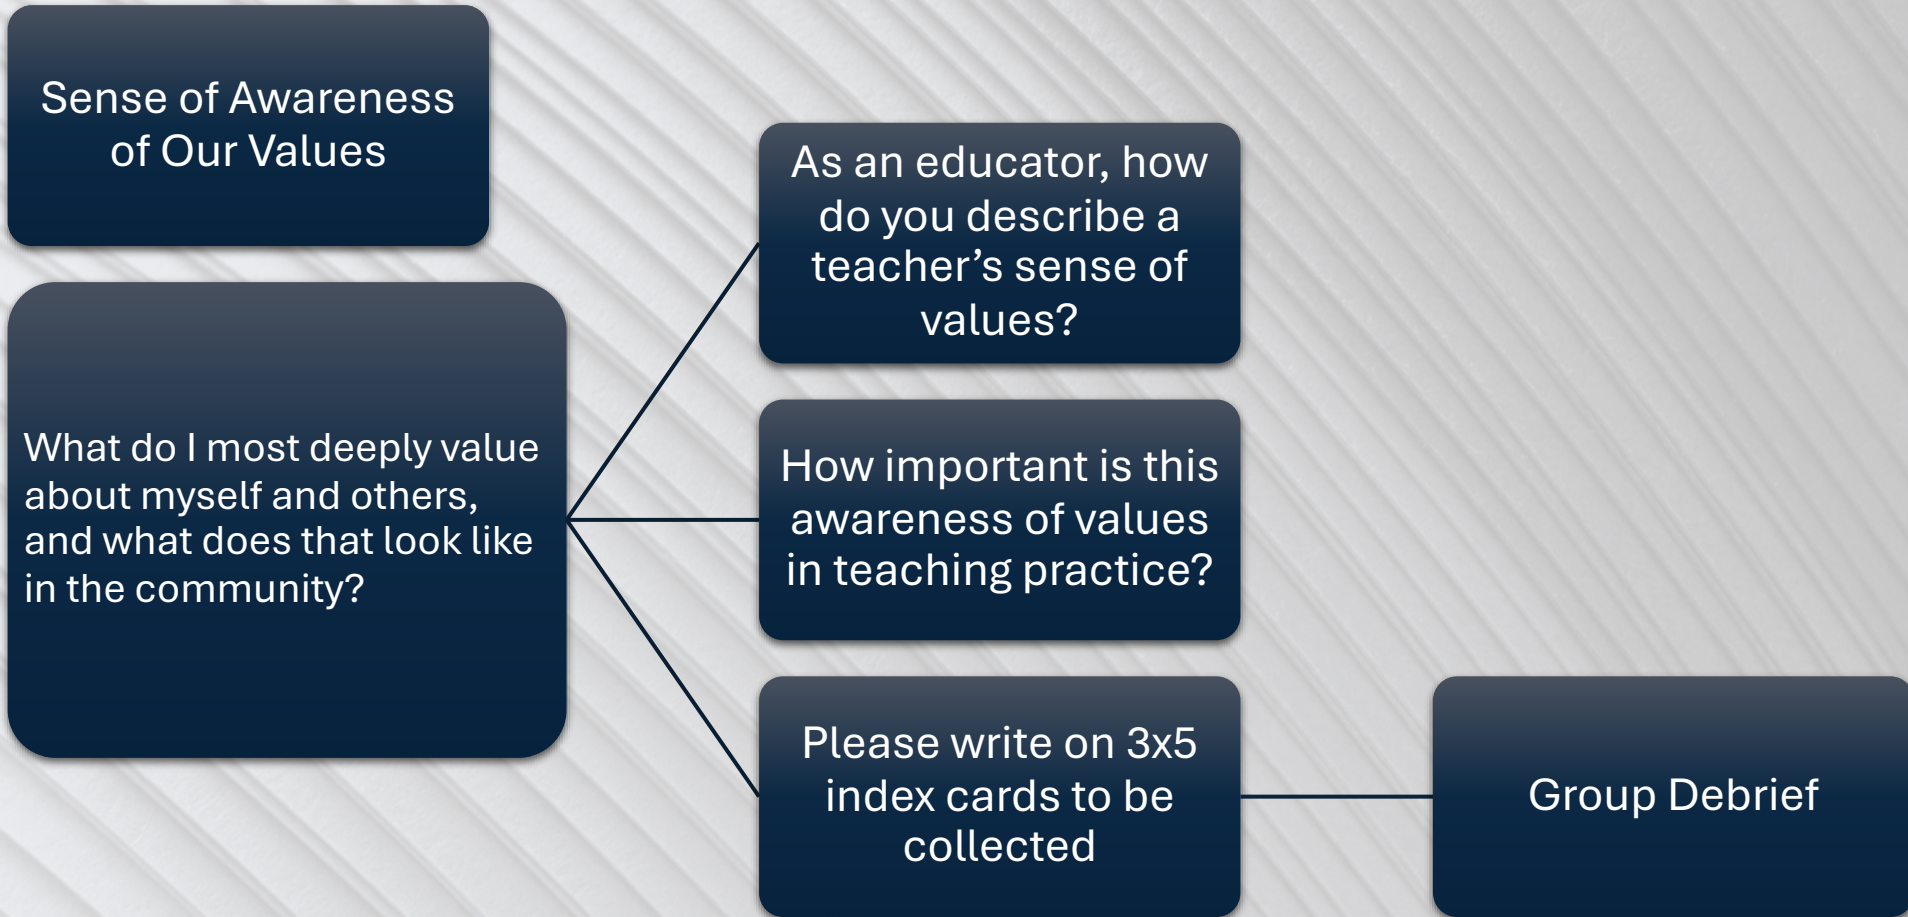

Icebreaker

How many teachers have you had over your lifetime?

How many coaches?

How many mentors?

Activity

Important Insights

Our geographical location influences our mindset about educators.

Education is seen as a universal tool for improvement and empowerment.

Examine data on the teaching profession.

Status of the Educator Globally

**Global Access to
Education**

Gender Disparities

**Sustainability and
Education**

**Higher Education and
Skill Development
(STEAM and AI)**

Activity

- Small groups: Discuss and chart the following:
 - Highlight ECE gender inequalities in teaching status, drawing connections to equity and systemic issues.

Groups will chart their responses and identify one key learning to share.

Education as an Innovative Disrupter and Agent of Change

Open Challenge

Based on today's discussion, reflect on one action you can take to strengthen the impact of educators—either within schools or through advocacy.

Please write responses on an index card to be collected

Closing

“A hundred years from now, it will not matter what my bank account was, the sort of house I lived in, or the kind of car I drove... but the world may be different because I was important in the life of a child.”

Forest E. Witcraft

Resources will be available after November 10th at <https://ngocsw-Geneva.ch>
